The Ambassador's Small Grants Fund for HIV/AIDS is a program of the United States Government under PEPFAR, The President's Emergency Plan for AIDS Relief.

Eligibility: Established, registered grassroots community-based organizations (CBOs) actively tackling the HIV/AIDS pandemic. An ongoing project in need of support may also qualify for assistance.

How to apply: Submit a one page project idea on your organization's plan of action to combat HIV/AIDS in your community.

Send your project ideas to the U.S. Embassy in Lilongwe by Standard Mail, E-mail or FAX. CBOs that submit projects of interest will be invited to submit a full proposal.

The page limitation of the project idea will be strictly enforced. Any proposals which do not follow the guidelines will be automatically rejected.

Average grant size: \$5,000 to \$10,000

Deadline: September 30, 2011. We will send application forms to short listed applicants only. That is, applicants whose project ideas meet our program objectives will receive follow up communication from the U.S. Embassy.
